

Social Work

Querétaro, México

International Academic Program

Concept

In this program you will be able to develop many skills such as team work, innovation, team learning, creativity, empathy, design thinking, etc. You also will learn some Spanish, how to help people to learn by doing and how you as a Warrior and change maker can develop and get involve in the worldwide education and inclusion solution and life changer.

Objectives

This is a 6 week experience based around Mexico in which you will be challenge to solve a big trouble of education and inclusion.

- You will be living in Queretaro for 18 days in which you will have an intensive 24 hours theoretical and practice program focused on inclusion in all the different ways you can find in our country.
- You will also receive a diploma as a "Inclusive Warrior change maker"
- We will have an 14 days volunteer program in the Sierra Gorda of Queretaro working as a teacher and solving the challenge you will have assigned.
- At last we will learn about inclusive education and social projects outside the state of Querétaro and we will be able to spend 2 weeks with some native people.
